**[EXTERNAL]**

Drew,

In follow up to our call this morning, please be advised that McKesson agrees to extend the return date for the subpoenas served upon the PEIA to April 18, 2020. As I explained, the original dates set forth in the subpoenas were placeholder dates with the expectation that alternate return dates would be set following dialogue with the served parties after service of the subpoenas.

That is odd, I did not receive a voicemail from you. What number did you call and leave a voicemail on?

At any rate, for a conference call tomorrow, 10:00 a.m. - 1:00 p.m.

works, and we would prefer 4:00 p.m. - 5:00 p.m.

Let us know your preference, and please circulate dial-instructions.

Thanks,

Drew

Drew,

I left a voicemail this afternoon at the number I thought was left on my voicemail.

I'd like to set up a call tomorrow to discuss the subpoenas and the

constant of your e-mail. I would like to include my colleagues from Covington & Burling. Can you give me some times that work for you?

I hope you are doing well. Following up on the voicemail I left you yesterday at approximately 2:40 p.m., the function of this correspondence is to apprise you that our Office is representing PEIA with respect to the above-referenced Subpoenas, and that it is not possible for PEIA to provide deposition testimony or the documents requested within the extremely short timeframe set forth in the Subpoenas. In addition, PEIA has multiple objections

to the  
aforementioned  
discovery requests.

I anticipate that we  
will file a Motion to  
Quash on behalf of  
PEIA unless we hear  
from you and can  
reach a mutually  
agreeable solution to  
the issues set forth  
above.

Should you have any  
questions, please  
feel free to call me.

Thanks,

Drew
